Secret Work Life of Mr. Eaton

The principal of SUIIS WanYuan American High School has a busy work life at the campus everyday. He does many things with the school administration to run the school and to improve the school. But few people know how he works at school.

According to Mr. Eaton and his secretary Ms. Raina, Mr. Eaton's work life is really busy. Every morning Mr. Eaton comes to school very early. Some students said that they often seen Mr. Eaton standing at the gate or walking in the hallway greeting with students and teachers. "We also have a couple of meetings to do."

Said Ms. Raina. According to the interview with Ms. Raina, Mr. Eaton has a principal meeting every Tuesday, which gathers every principal of the school together talking about many events about the school. In the morning courses, Mr. Eaton will sneak into some courses and listen for about 10 minutes in each class. According to some students,

Mr. Eaton even joined in the classes and taught the students. An anonymous student said, "Mr. Eaton help us learn how to do an interview in Mr. Manno's public speaking class. That really helps." From the interview with a student in Mr. Cooper's academic success class, Mr. Eaton also gave some questions to the students such as "What is the best American college American football team?" Said another student.

"It seems that Mr. Eaton really cares about our campus life," said another unnamed student. In the afternoon, Mr. Eaton sometimes guides some new teachers, show them around in the school and have a discussion about the school improvement. Mr. Eaton also helps the teachers solve their problem about education and the students. "The Chinese teachers will talk to me and I will retell to Mr. Eaton. The Western teachers will talk directly to Mr. Eaton." Said Ms. Raina in the interview. Before the interview with Mr. Eaton, he was still talking with two Chinese teachers. He also said that he needed to make a call for a meeting right after this interview.
